Sq. Ft.

Description

This classy property has been totally remodeled including all new electric, a new roof, new siding and so much more. The beautiful new kitchen includes new cupboards, countertops and sink. New stainless steel appliances, including the stove/range, refrigerator, microwave and dishwasher have been included in this kitchen. Wood laminate flooring extends throughout the entire home. The nook dining area is conveniently located just off the kitchen and provides a cozy eating area. A great bonus room is perfect for a computer center, play area or a quiet spot to relax and read. The striking propane fireplace is centrally located and spreads warmth throughout the home. A small addition to the home has allowed the master bedroom to be enlarged allowing for a large walk in closet and incredibly beautiful master bathroom which has a double vanity with marble tile with striking accent tile. An additional bedroom and an elegant guest bath give this home comfortable accommodations for guests. The laundry is located on the main floor hidden away in the bonus area by folding doors. A pantry and storage area can be located in the unfinished basement area. A large new deck is located on the southeast corner nook of the home providing a very secluded and sheltered outdoor area. The metal frame garage is located next to the home with room for one vehicle and extra work space. A creatively painted propane tank adds a touch of joy in the fenced back yard along with space for a pet or children to play.
